**1** Install drawer slide according to the positions of the mark holes!

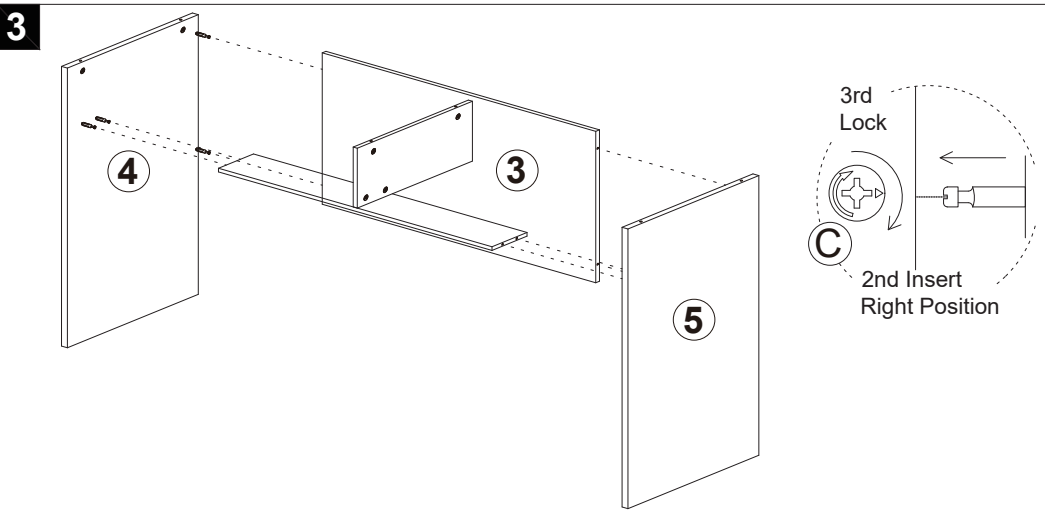

The diagram shows the installation of drawer slides (1) onto the vanity unit. It includes three sub-diagrams: the first shows the slide being attached to the side panel (19) using screws (G) and brackets (C); the second shows the slide being attached to the front panel (5) using screws (A) and brackets (C); the third shows the slide being attached to the base (3) using screws (A) and brackets (C). The vanity unit is shown in the background with the mirror (9) and shelves (10, 11, 12) already installed.
